

## IBP Group

### **Statement on the EU Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)**

- Article 33 - Duty to communicate information on substances in articles

Date: 4<sup>th</sup> October, 2018

Note: This statement can be updated at various points during the REACH implementation process

In relation to the requirements of the regulation mentioned above, we hereby declare:

- Your contact at IBP Group for all matters concerning REACH is  
Anil Sharma  
Quality & Environmental Manager  
Telephone : +44(0)1215214404 , Mobile : +44(0)7881622378  
Email: [anil.sharma@ibpgroup.com](mailto:anil.sharma@ibpgroup.com).
- IBP Group is a supplier of finished articles only that due to technical reasons can contain the notifiable SVHC substance lead (EC: 231-100-4, CAS: 7439-92-1) in a mass concentration of more than 0.1% as an alloy element.  
This statement is applicable to all IBP Group product ranges such as fittings and valves that are made of brass and bronze (red brass).
- Since lead is firmly bound in our products as an alloy element thus no exposure is expected.  
Therefore, no additional information on the safety of use or a special marking is required.
- We have no indication that the substance mentioned above may impair the safe use of our products for the intended purpose. However, please follow the instructions for use of the particular product.
- IBP Group confirms that there is no requirement or obligation for the company to register its products under REACH requirements.

**Anil Sharma**
